Results' Special Edition-2022

"If one wants to reach a goal, one must see the reaching in imaginations before one actually arrives at one's goal!"

Goal-setting is essential to long-term success. After all, it's difficult to get to a desired destination before you clearly define where that destination is.

At Chiniot Islamia School and College, we focus on nurturing and equipping young learners with the ability of self-exploration and development. Our aim is to make our learners confident, sensitive and well-rounded individuals as they are the future of our dear homeland-Pakistan. We fortunately have a growth mind-set management, and a committed team of teachers along with caring and cooperative parents, which blend harmoniously to make CISC a child centred school.

Let us change by inspiring ourselves to **"see the light and keep passing on the light"**

چراغ سے چراغ جلتا ہے!

Editor's Note:

Dear Readers, Greetings to all! I am very pleased to welcome all of you. It is indeed a great honour for me to be the editor of THE NEWS at CISC and it is an immense pleasure to publish this Results' Special Edition-2022. Such opportunities make us feel alive, engaged, connected, and fulfilled. For this edition, we're proud to share our board results. It is the moment when we brought out the most astonishing results. This opportunity made us respect the tremendous hard work and dedication every member has put forward.

Hope everyone has spent a fabulous summer break.
Look forward to talk to you again in our February issue.

Regards!
Mrs. Nighat Imran

Results (Promotion Exams 2021-22): Annual Exams are very important because through it students can know their real knowledge, through exams they also compare themselves with other students and get cheered up by knowing their position in the class. In promotion exams 2021-22 all students showed remarkable results and promoted to the next classes.

Scholarships recognize academic achievements and assist recipients with the cost of continuing their education. These merit-based awards are granted to students who show excellent results in their annual exams. Here in CISC Mian Muhammad Bashir Scholarship is awarded at Boys Campus to the 2 toppers of each class among all sections from VI to VIII & Hifz while Begum Hameeda Bashir Scholarship is awarded at Girls Campus. All these students enjoy half fee concession for their next academic year. This year following students got these scholarships. It is a matter of great pleasure that this year six girls of class VIII got this scholarship.

Need Based Fee Assistance:

CISC is working under the supervision of Chiniot Educational Society Faisalabad. CES has a clear vision and mission. Its mission is to work for the educational, social and economic advancement of the less privileged people of Faisalabad in particular and of Pakistan in general. Its aim is to establish and administer educational institutions and to provide facilities of education to all without any consideration of cast and creed. Keeping in view of its mission, this year CISC granted need based fee assistance of **Rs. 1,067,170/-** to **610** needy students per month. **Rupees 357,340/-** were also utilized in current year for the provision of books and uniform to **107** deserving and orphan students.

Entrance Test:

Entrance exams play a very important role in a student's life. It determines if the student is ready and prepared to perform in the academic environment. These entrance exams check the level of the student and accordingly provide them proper career path in their life. It develops confidence and increases the self-esteem in the students and they also get the strength from knowing that they are eligible to

pursue the education in that particular field. We have designed an Entrance test for students who are seeking entrance to CISC. The purpose of this test is to measure the basic verbal, qualitative, writing and reading skills of students which are needed for successful performance in CISC.

Record New Admissions:

Alhumdu-lillah! A large number of students and parents showed their confidence at us and 649 students have enrolled in our school from Jan-2022 to till date. Detail is given below:

Commencement of new session 2022-23:

The beginning of a new session is always an auspicious time—a time for new hopes and renewed dreams.

Principal CISC warmly welcomed to all students and said “I hope you are relaxed, recharged, and ready to start a new school year. I am so delighted that you are part of

our amazing learning community. I welcome and value your positive energy and dedication to excellence in education.

Let's head towards another incredible and productive school year. Our skilled and devoted staff is already planning and preparing for you.

Thank you to all staff members who are helping to welcome you for the new school year. Your commitment to ensure that CISC remains a celebrated and successful school is awe-inspiring. I eagerly look forward to greeting students and their parents again. It remains an honor and privilege to serve as your School Principal.

Together, I know we will make this school year one of growth and achievement for all children.”

Here are some awesome clicks of First Day Activities at both campuses.

Orientation Day:

An Orientation Day was arranged at CISC. It is an exemplar for parents which helps them to know about their children's learning. Little students warmly welcomed to the parents. HMs of both campuses had a brief introduction of their sections and described policies of CISC prolifically.

At the end, parents visited model classes of English Language, Physical Education Training, Library and IT Lab which were conducted by teachers.

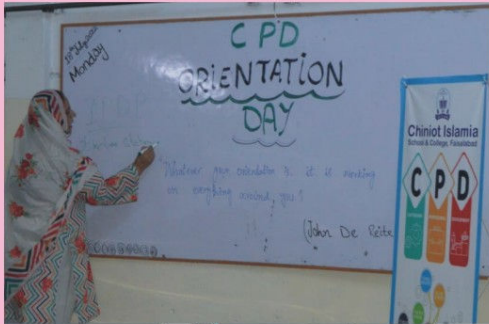

TRAINING SESSIONS

We believe Staff development is very important and offer staff substantial training opportunities to develop with in their job and cope up with the requirements of 21st century. Keeping it in mind following training sessions were organized here at CISC.

Foundation Course Session:

Pre-service training (Foundation Course Sessions) are being held here at CISC both campuses. It is designed especially for newly appointed staff members. It is all about practices, activities, rules and regulations of the institution where they are to be appointed.

CPD Training Sessions

It is the tradition of CISC to conduct Continuous Professional Development training session every year for Faculty Members to burnish teaching skills. It is an ongoing process of frequently improving skills and competencies to enhance workplace performance and future career prospects.

Supporting Staff Training:

To reap the best benefits, a Training Session was organized at CISC. It was designed especially for supporting and Janitorial staff members of both campuses with a purpose to acquaint them with the new skills, methods and processes required improving their performance on the job.

چینیوٹ اسلامیہ سکول اینڈ کالج میں قرآن کریم کو بہترین انداز میں پڑھنے اور سیکھنے کا عمل جاری ہے۔ ہر سال کی طرح اس سال بھی ادارہ ہذا میں اساتذہ کے لئے ترجمہ القرآن اور تفسیر کی تربیتی نشست کا انعقاد کیا گیا۔

Training Session regarding Smart Classroom:

In our increasingly tech-driven world, education needs are evolving faster than many parents can keep up with.

A traditional school no longer prepares students for the challenges of tomorrow --- or a WORKFORCE where 75% OF JOBS WILL REQUIRE TECHNICAL SKILLS BY 2030.

Chiniot Islamia is facilitating our students with a flexible online learning available ANYTIME, ANYWHERE.

CISC always ready to beat the challenges of this technology era! In this digitalized world, when everybody is stepping forward to modernism. We are preparing our students to combat these challenges by inculcating 21st Century Skills. In this prospect a session about "Smart Classroom" was organized in which parents were guided how they can help their children in online classes.

Annual Science Exhibition:

Annual Science Exhibition was held at both campuses. Visitors highly appreciated the event. They wrote down in their remarks that CISC did an excellent job and it was worth watching the little students presenting their projects. The Environment, Reception, Planning, Preparation and Presentation everything was above the Mark.

Spectators appreciated a lot all projects displayed there. All projects were examined by a team of science teachers and special awards were given to all winners in a Certificates Distribution Ceremony.

ELECTION DAY
Elections for Prefects, CRs & Energy Saviours

Choose Your Leaders!
Vote for the Right!

Prefectorial Board's Elections:

Elections and Voting provide many interesting opportunities to teach students about civics. So a very successful and fair Election to elect Prefects, CRs and Energy Saviours was held at CISC. The motive was to bring out the hidden talent of students and choose the right leaders. Selecting/electing is a tool to build students' confidence and promote their decision making skills. All students vigorously casted votes for their favourite candidates.

Oath Taking Ceremony:

Oath taking ceremony of Prefects, CR's and Energy Saviours was held at CISC (both campuses) with full zeal and zest. They pledged to fulfil their duties with sincerity and dedication. They were having fun too, participating in such an adult activity.

Charity:

Flooding is the most devastating natural hazard in Pakistan and the recent flooding has demonstrated its severeness. So, to give awareness to students a documentary on "Effects of Flood" was shown to students and motivated them to donate some money from their pocket money. It is a matter of great pleasure that little generous of CISC collected **95,000/-** rupees to help the flood victims and make them sure that we stand by them.

Independence Day Celebrations:

Patriotism is not a badge that you should carry on your shoulder. You should carry it in your heart and let your actions speak for it. Remembering our past is extremely important but we also have to think about building our future. Let's do everything to keep our freedom and carry it through the years. We feel proud of being a part of this great nation. May this spirit of freedom leads us all to success and glory in life.

CISC passionately and vigorously celebrated 75th Independence Day. Students presented national songs, delivered speeches and made colorful drawings to give tribute to our dear Motherland. Here are the glimpses of this celebration.

Teachers' day:

میرے معلم تھے سلام!

Teacher supports and enlightens the minds, that helps in shaping the personality of students.
 A teacher's purpose is not to create students in his/her image, but to develop students who can create image.
 The influence of teachers extends beyond the classroom well into the future. Teacher supports and enlightens the minds, helps in shaping the personality of students.

On 5th October-2022, CISC celebrated teacher's day by presenting flowers and cards to the teachers to show affection and admitted their services on "Teacher Day".

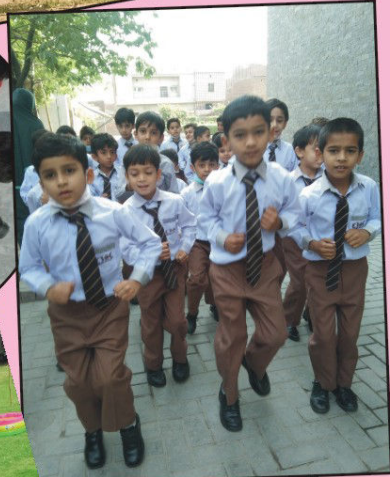

Health Awareness Session

A team of Doctors from "The University of Faisalabad" visited CISC (Both Campuses). They did a sitting with students regarding their health issues. Students attended the session and put their queries. Doctor guided them about balanced diet, height and weight, benefits of proper sleep, best learning times, proper sitting pattern to maintain healthy body and sound mind.

We feel honour to share it that Dr. Areeba Zafar, alumni of CISC was also present in this Doctors' team. It was indeed a fruitful session. Students learnt a lot about healthy lifestyle.

FUN FILLED ACTIVITIES

CPD Certificates Distribution Ceremony:

CISC hosted and successfully completed a Continuous Professional Development workshop (CPD-22) in different categories including IT Trainings, Spoken English/Soft Skills/ترجمة القرآن / Curriculum relevant sessions/Assessment and Evaluation and much more for faculty members.

Parallel to this five days Training session was organized for custodial/Janitorial staff to make them efficient and train them to be a valuable member of CISC family.

Now everyone here at CISC is fully skilled and trained to perform better than before. Here are few glimpses of closing ceremony of CPD-22.
